

Join us for...

The first of our Native Education speaker series featuring Paige Pettibon

November 19th @ 1 PM on [ZOOM](#)

In collaboration with Native American Heritage Month

We are encouraging elementary classes to join us for this virtual presentation including: A short film created by Afro-Indigenous artist Paige Pettibon, followed by a presenter lead discussion & reflection. We are providing classes with a worksheet & seesaw activity. We hope you can join us in celebrating the beautiful culture, language, and stories of the first people of this land. See you then! - [Native Education Program](#)
